## 4. Championship Format

4.1. The 2022 Pan American Snooker Championship will be played using an initial Round Robin phase of eight groups (required number of groups based on number of entries), with the qualifying placed players from each group advancing into the Single Elimination Knockout phase of the event.

4.1.1 The following order will determine the final Group positions:

1. Highest number of match wins
2. Best frame difference
3. Winner of Group match (head to head)
4. Least number of frames lost
5. Highest break of player

4.2 All Group matches shall be contested over a determined number of frames based on entries. Maximum time allowances for this phase must be followed. Knockout rounds up to and including the finals shall be contested over the determined number of frames based on time restraints due to the number of entries received.

4.3 A complete match schedule will be produced after the Championship draw [see Rule 5.1].

4.4 In making the group draws, eight players (determined by number of entries) of significant national and international snooker achievement (e.g. most recent national champions and former professional players) will be selected by PABSA to position one in each of the groups. All other players will be drawn into the groups, using a system which will reflect a balance of players between the entered nationalities.

4.5 Once the draw has been made, the Tournament Director, if necessary, will only be permitted to make changes if there are any subsequent player withdrawals prior to the start of Group play to even the group numbers.

## 5. Championship Rules

5.1 The PABSA appointed on-site Tournament Director will solely be responsible for the running of the Championship, and will do so at their discretion in accordance to these rules. All players must respect the final decision of the Tournament Director. The Tournament Director will also compile the match schedule after the Championship draw, which all players must observe.

5.2 As registered PABSA members players shall never hold The Pan American Billiards and Snooker Association or the tournament venue responsible for me, or my belongings for any reason.

## 6. Player Match Attendance

6.1 Players are strongly advised to insure that should they wish to enter the Championship, they make themselves available for the whole duration of the event.

6.2 All players are expected to be in attendance and ready to play half an hour before the scheduled start time of their matches. Only during the Group phase of the Championship will the Tournament Director have the discretion, with good reason, to reschedule a match. Due to time constraints, there will strictly be no rescheduling of any matches during the Knockout phase.

6.3 During the Groups phase of the Championship:

6.3.1 All matches will be played in an order scheduled by the Tournament Director and on the next available table on a roll-on roll-off basis. Upon request, the Tournament Director will endeavor to provide an estimated time for a particular match so a player may plan a meal or comfort break.

6.4 During the Knockout phase of the Championship:

- 6.4.1 All matches will be allocated table numbers and commence at a scheduled start time.
- 6.4.2 If a player is not in attendance at precisely their scheduled start time, that player will forfeit one frame.
- 6.4.3 If a player is still not in attendance after precisely 30 minutes from their scheduled start time, that player will forfeit two frames.
- 6.4.4 If a player is still not in attendance after precisely 50 minutes from their scheduled start time, that player will forfeit the match and be withdrawn from the Championship [see Rule 7.2].

6.5 Players are not allowed to take any unnatural breaks during matches. Bathroom breaks will be permitted, though players must inform their opponent and return in a timely manner.

## 7. Withdrawal Of Entry And Player

7.1 Please inform PABSA as soon as possible should you wish for any reason to withdraw your entry prior to or during the Championship [see Rule 2.3]. Failure to do so may result in a disciplinary procedure of suspension to participate in future PABSA championships.

7.2 Should the withdrawal of a player occur during the Groups phase, all previous match results shall become null and void. Should the withdrawal of a player occur during the knockout phase, that player's opponent shall receive a walkover into the next round, or be awarded the Championship title should that be the final match.

## 8. Snooker Rules

8.1. The official snooker rules as defined by the World Professional Billiards & Snooker Association (WPBSA) will be upheld [also see Rule 9.1.2], with the following Championship condition enforced:

8.1.1 During the Round Robin Group play only, once all the red balls have been pocketed and just the colored balls remain on the table, if a player on their next visit to the table then requires four or more snookers to the value of the "ball on", that player will then be obligated to concede the frame or their opponent will be permitted to verbally claim the frame at the end of their visit to the table.

8.2 A copy of the official rules can be downloaded from the WPBSA website at: <https://wpbsa.com/wp-content/uploads/Rulebook-Website-Updated-May-2022.pdf> Revised: May 2022 (PDF format).

## 9. Referee And Player Responsibilities

9.1 When a referee is provided all official rules will be enforced. In matches without an assigned referee, the following will apply:

- 9.1.1 The non-striking player must spot the pocketed colored balls for their opponent and keep an audible running total of the break compiled.
- 9.1.2 When snookers are not required by a player and the player is snooker. Players can call the floor referee to observe if desired (most one rail escapes must be successful or most likely the balls will be replaced). Be sure to note the position of the balls before the shot is played and ensure that the non-striker or referee places a coin or other mark if desired - not the striker.
- 9.1.3 If a full ball on is available and a ball on is not contacted a miss will always be called. After the second attempt if they fail to hit the ball on the player MUST be warned that they will forfeit the frame if they fail to make contact a third time.

9.2 In the event of a contentious situation, an independent decision must be called upon. Please consult the PABSA appointed Tournament Director.

## 10. Score Sheets

10.1 Players will be required to complete and sign a score sheet for each match played. The winner of the match should ensure to return the completed score sheet to the Tournament Director.

## 11. Dress Code
