8. Referee and Player Responsibilities

8.1 When a referee is provided all official rules will be enforced. In matches without an assigned referee, the following will apply:

8.1.1 The non-striking player must spot the pocketed colored balls for their opponent and keep an audible running total of the break compiled.

8.1.2 Foul and a Miss: when snookers are not required by a player and the player is snookered, most one rail escapes must be successful, or the foul will be called a 'miss' and replaced based on the non-striker's option. Players can call the floor referee to observe, if desired. Be sure to note the position of the balls before the shot is played and ensure that the non-striker or referee places a coin or other mark if desired - not the striker.

8.1.3 During earlier stages, and for non-refereed matches, rule 8.1.2 will be applied to a maximum of three attempts. After three "foul and a miss" attempts, the non-offending player will then have the option of either playing from the resulting position or requesting their opponent to play from the resulting position.

8.1.4 Conceding Frame: for earlier stages and for non-refereed matches, as determined by the Tournament Director, once all the red balls have been pocketed and just the colored balls remain on the table, if a player on their next visit to the table then requires four or more snookers to the value of the "ball on", that player will then be obligated to concede the frame or their opponent will be permitted to claim the frame at the end of their visit to the table.

8.1.5 If a full ball on is available (defined as a player can make a full ball contact in a straight line) and a

ball on is not contacted a miss will always be called. After the second attempt if they fail to hit the ball on the player MUST be warned that they will forfeit the frame if they fail to make contact a third time and failing which the frame will be awarded to the opponent.

- 8.1.6 In the event of a contentious situation, an independent decision must be called upon. Please consult the PABSA appointed Tournament Director whose decision will be final in such situations.

9. Score Sheets

- 9.1 Players will be required to complete and sign a score sheet for each match played. The winner of the match should insure to return the completed score sheet to the Tournament Director.

10. Dress Code

EVERY PLAYER IS A BRAND, AND THAT CAN BE ENHANCED BY THE WAY THEY DRESS. WE WANT TO HELP THEM TO MAXIMIZE THEIR POTENTIAL AND THE OVERALL IMAGE OF SNOOKER.

- 10.1 All dress items must be worn correctly.

11. Cell Phones

To comply with this Rule, and as a courtesy to your opponent, players are asked to have their cell phones switched off during their match unless special circumstances agreed to by the Tournament Director. If you answer or use your phone during a match you will be warned, and a second infraction will result in the loss of frame.

12. Publicity

- 12.1 If required, players must be available for interviews and photographs in the interest of publicizing the

12.2 Some matches may be streamed on the internet or video recorded for public broadcast. By participating, players acknowledge their consent to have their match streamed live or recorded and available for public broadcast.
